Dear Concerned Citizen,

It is the goal of the Wichita County Sheriff and his staff to treat all persons, regardless of race, gender, creed or any other factor, with respect and courtesy. On occasion, an individual in this office may fail to obtain this goal. It is my desire to learn of the circumstances of this failure to achieve our goal, and take corrective action, if necessary and to advise you of the outcome of our self-inspection. Please take time to write down you observations of our efforts. I would request that you leave us your name, address and a telephone number where you may be contacted, so that we can contact you to advise you of the results of our investigation and corrective action taken.

Once you complete this form, it will be placed in a sealed envelope and delivered to the Sheriff for his inspection. You will be notified within thirty days of the results of your complaint. **Your complaint will be investigated and if any portion of the investigation is found to be false, criminal charges will be filed.** If you need assistance in completing this form or you desire to talk to a Sheriff's Office supervisor immediately, please inform the person who gave you this form. Thank you for taking the time to help your Sheriff provide the best possible service to members of this community.

Sincerely,

*David Duke*
